Introductory Note

This DIRECTORY is the first issued since that of 1912, and is the third since the foundation of the Society.

All post-offices for which no State is given are in New York State.

A star indicates that a notice of the member will be found in Who's Who in America. A dagger means deceased.

The number of members listed is 598, of whom 42 have died.

In the preparation of this list the editor has been assisted by committees from the Chapters of 1920 and 1921, to which he expresses his thanks.
